Enclosure

Message from the Chair

While a short Annual Report, the Financial Services Tribunal continues to provide an important outlet of appeal, for those parties that remain dissatisfied with decisions made by the entities for which we have a responsibility.

My two colleagues and I who are the members of the Tribunal are new to our respective positions, and look forward to providing appropriate review when required in the ensuing year.

I would be pleased to respond to any questions the reader may have of this report.

Maurice R. Mourton
Chair

Operations

Effective April 1, 2010, the administrative support functions of the FST were moved from the Financial Institutions Commission (FICOM) in Vancouver and consolidated with the Environmental Appeal Board/Forest Appeals Commission Appeals Office (“Appeals Office”) in Victoria.

In addition to the FST, the Appeals Office provides administrative support to five other tribunals. This has been done to assist government in achieving economic and program delivery efficiencies by allowing greater access to resources while, at the same time, reducing administration and operation costs. The additional tribunals include the:

- Community Care and Assisted Living Appeal Board;
- Health Professions Review Board;
- Hospital Appeal Board;
- Industry Training Appeal Board; and,
- Oil and Gas Appeal Tribunal.

This move has resulted in significant savings to government for the operation of the FST through a shared services cluster approach which takes advantage of synergy and assists government in achieving economic and program delivery efficiencies.
